

FD Associates specializes in providing guidance to small and medium sized companies in export regulation, licensing and compliance.

We are also available to provide company specific guidance on the requirements of the International Traffic in Arms Regulations (ITAR) and the Export Administration Regulations (EAR), as well as audits of company procedures to help ensure compliance with the regulations.

ABOUT OUR PRESENTERS

Fae Daniels, President - In addition to 20 years experience in all facets of export licensing, Fae has special expertise in compliance issues including training and audits. Prior to establishing FD Associates (formerly FD Logistics) in 1990, Fae was employed for nearly 20 years at the Australian Embassy where she managed the procurement and export of a variety of military systems and support spares.

Jenny Hahn, Vice President - Since joining FD Associates in 1992, Jenny has assisted and advised exporters with a variety of licensing and compliance requirements. In addition to her hands-on experience with FD Associates' clients, Jenny is a subject matter expert in encryption and infrared licensing issues, as well as export documentation, shipping and U.S. Customs requirements including detentions and seizures.

ITAR Overview Workshop

Advisors in Export Regulation and Licensing

March 23, 2006

Enroll now for a one-day workshop providing a top-down look at individual and company responsibilities under the ITAR.

Workshop discussions will cover:

- Overview of US Laws, Regulations, and Government Agencies
- Intro to the ITAR
- Hardware, Technical Data, and Defense Services Licensing
- Exemptions
- Shipping, Record Keeping and Reporting

This is a small-group, interactive workshop for export compliance and licensing personnel. Please bring your questions and case studies to share.
